

Rapid, Clinical Assays for Ebola, Anthrax, Glanders, and Melioidosis

HSHQDC14RB00090BAA14003Call7

**** Proposal Submission has been extended until Friday, 3 April 2015 - 12:00 pm EST ****

Questions

Answers

Could you please inform me where to find the forms on which a proposal must be submitted ?

The solicitation indicates that "Offerors shall submit their Full Proposals in accordance with BAA 14-003, Section 5 – Application and Submission Information". I cannot find any template or forms associated with this BAA that we would use for proposal submission.
